

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over sixty years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are dedicated to providing top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They like providing products which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' requirements and skills together with their knowledge of cleaning applications, along with owners' strong desire to significantly lessen expense through productivity gains.

The workers at TREK and their dealer-partners are really committed to having both technical support and parts available when it is required. Their high service commitment is amongst the core values in their customer service. Keeping their customers' cleaning machinery working and ready daily is top priority. The company's top of the line technology delivers reliable machinery which eventually reduces your cost of cleaning. The product, the price and the service all work as one to make them the leader in the industry.
