

## Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how long and tedious it would be to tidy up right after a party, with out assistance from machines. Not too long ago, the dust from upholstery and carpets had to be beat out of them by hand; brooms, brushes and cleaning cloths were the best cleaning products at the time.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Starting the company in the year 1906, he started to produce motors to be able to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the start was to have a worldwide company selling goods globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that could be operated by a single individual because it only weighed 17.5 kilos! This invention came in a time where various cleaning equipment were massive and needed at least 4 operators, thus, the Nilfisk C1 transformed everything and evolved the way we clean forever. The mastermind behind these first cleaning machines remains unparalleled. Cleaning equipment provide an excellent solution to an existing dilemma; stuff get dirty and have to be cleaned frequently, without a lot of effort.

Slowly, the company Nilfisk-Advance expanded throughout the years. In the early 1980's the business expanded more rapidly when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the business, aspiring to be an active global player in producing professional cleaning equipment. Nilfisk-Advance is currently located in all parts of the globe due to gradually acquiring numerous smaller companies to be able to develop their product selection and presence in new markets. They are proud to offer various cleaning solutions to meet every requirement.
